BALMACEDA'S WOE.

Defeat Is Followed By Flight.

The mole came from the direction of Frack Hughes out of jail, hanged him to a black locust tree.

The mole came from the direction of Frack's mill. They came on horses and in vehicles. They hitched at the outskirts of tewn and walked to the jail and Jamaried admission. Jaffer Reed came down and was seized and the keys tak in from him. They then made him show them Dudley's cell and at once took Duniey out. They hustled him out to the plain, where they had left their horses and walked to the plain.

VALPBRAISO, Chili, September 1.— The Chaneral regiment of the congressional army took formal possession of Santiago last night, and practically the last act in the bloody drama of revolution which has torn Chili to pieces for the past seven months is closed. As soon as the news reached Santiago of the overwhelming defeat of the government troops on the heights of the Placilla and the fall of Valparaiso, and the people knew that Balmaceda's pow-er was gone, and they had nothing to lear from his wrath, their enmity to his

vernment broke forth. Numerors arrests of government offi-cials have been made. The insurgents show a moderate disposition, however. and the leaders say that every man against whom charges are made will have a full and fair hearing before the proper civil authorities when order is illy restored.

The ambulance service has simply uisgraceful. Hundreds o aded men were left on the battle field to die who might have be saved if prompt measures of relief had been The surgeons of the foreign war ships have done most valuable service in caring for the wounded, and had it not been for their hard, effective work, the sufferings of the wounded

work, the sufferings of the wounded soldiers would have been much greater. Especial credit is due to the medical staffs of the United States ships San Francisco and Baltimore.

It has been ascertained that 800,000 peace in silver were shipped on the British slope of war Espiegle. It was sent by rail from Santiago to Talcahuano and was taken aboard the Espiegie at that port. The senior British naval officer here is making every effort to communicate with the captain of the Espiegle, with a view to detaining the baltion if possible. It is supposed Baltimooda intended to use this money to make payments on account of the new cruisers. Presidente Errazuriz and Presidente Pinto.

I saw Senor Montt and General Canto

company with United States Consul leCrery this afternoon. Monta and anto say that there will be no election,

rain but there is a strip of country may be taken in a few days.

There is a good deal of talk here as to who will be clocked president under the new order of things. In addition to Senors Belisario Prate and Manual Jose fear-rainval, whom I have already mentioned, the list of available candidates has been swelled by the addition of the names of Senors Echaeren, Errigariz and Carles Walker Martinez. General Baquedano, who is strong with both parties, is also frequently mentioned as a man who may yet get the prize. It is has just arranged for the shippartles, is also frequently mentioned as a man who may yet get the prize. It is has just arranged for the shippartles, is also frequently mentioned as a man who may yet get the prize. It is has just arranged for the shippartles, is also frequently mentioned as the has just arranged for the shippartles, is also frequently mentioned as the has just arranged for the shipmant of 4,000 cattle company to Kansas.

In all the reasoning from the tast is a strip of country was a strip of country bearing and the same square, in which no will be held for some time, and in the meanlime the junta will be in cattle company to Kansas.

in all the campaign, from the landing of the congressional forces at Quintere Bay on August 20th until the capture were heard yesterday in the suit Bay on August 20th until the capture of Valparaiso on August 28th, there was only one bottle worthy of the name, and that was at Oracon, when the congressionalists forced the passing of the Aconogua river. At Vina del Mar the fighting was more in the nature of heavy skirmishing, while that on the Valparaiso heights Friday was practi-
